

## How to Print/Save Your Texts

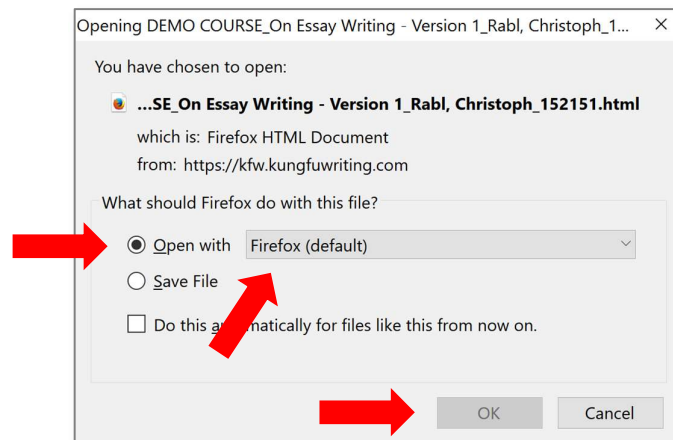

Step 1: Click the "Print" button on the top right corner of your text.

Step 2: Choose whether to include your teacher's comments and/or statistics by ticking the respective boxes, and then click "Open"

Step 3: Select "Open with", choose a web browser from the drop down menu and click "OK".

Step 4: Your text opens in the web browser you selected in step 3. On your keyboard, press the keys “CTRL” and “P” simultaneously, and you can choose a printer from the list.

In case you would like to save the text in PDF format, choose the “Print to PDF” function. If your browser and/or operating system does not support “Print to PDF”, you could download free PDF converter software such as *CutePDF Writer* (<http://www.cutepdf.com/Products/CutePDF/writer.asp>).
